YMC CO., LTD

**Notice of discontinuation of stainless precolumn filters and
introduction of alternative products**

Dear Valued Customers,

Thank you for using YMC products.

This is to inform you the discontinuation of the stainless steel precolumn filters. All sales of the products will be ended when our current stock of the products are sold out. We apologize for any inconvenience this may cause you.

For your future purchase, please refer to alternative products shown on the table below. Since alternative filters are compatible with the holders of the current products, you can continue using the current holder with alternative filters.

Should you have any question regarding this matter, please contact your local YMC office. We would appreciate your understanding and continued business with us.

1. Product name : Stainless steel precolumn filters

Current products (to be discontinued)		Alternative products
